Where in the world?

To mark the beginning of the summer holidays we're running a fun competition for our affiliates to win enough to keep you in ice-cream all summer!

Every day next week, we'll be posting a picture of a Digital Window employee enjoying their summer get-away. All you need to do is let us know **where in the world they are on holiday** and you will be entered into a prize draw to win **£50** for you to spend on those holiday essentials – a new bikini, plenty of ice-cream or even some new sandals (and socks!).

Make sure you are following our dedicated [travel twitter account](#), where we'll feature the pictures of staff in the sun at 09:00 each day.

If you think you know where they are, simply tweet [@travel_aw](#) and include your answer plus our hashtag **#whereareDW**

All correct answers, received before 23:59 on the competition day, will be entered into the daily prize draw. We'll announce the winner soon after posting the next morning's photo.

Even if you're a winner, you can still keep entering each day...and you can guess as many times as you like BUT we will only accept your last answer!

Terms and Conditions

- Competitions run daily from Monday 25th July to Friday 29th July 2011
- Entries must be received between the posting of the photo and 23:59 on the same day
- One winner will be chosen from all correct twitter entries
- You must have an Affiliate Window or buy.at affiliate account to enter
- Affiliates can enter the competition multiple times
- Only the last answer entered by each twitter account will be counted
- Twitter entries must contain #whereareDW hashtag
- Winners should be available for us to contact between 09:00 and 11:00 the day after they have entered
- Winners need to be aged 16 or over
- There is no alternative prize
- The competition is not open to any employees of Digital Window
- The judges' decision is final
- No responsibility can be accepted for entries which are not properly received due to communications beyond our control
- All US, federal, state and local and Canadian federal, provincial, and municipal laws and regulations apply
